Who Is Sawgrass?

At Sawgrass, we believe creativity should be accessible to everyone. That's why we design affordable, easy-to-use decorating systems that empower makers, entrepreneurs, and professionals to explore new ideas, expand their product offerings and build something bigger than they ever imagined.

We offer systems tailored to your needs. Our sublimation system is trusted across the industry for vibrant colors and long-lasting results. For those looking to push creative boundaries, the new VersiFlex system brings unprecedented versatility, allowing you to decorate a wider range of surfaces than ever before.

But Sawgrass is more than just printers and ink. Our technology is backed by thoughtfully designed software that simplifies the entire process, along with expert support and education to help you succeed at every stage. Whether you're customizing one item or producing at scale, our systems work hard so you can focus on what matters most — bringing your ideas to life.

You are the reason we do what we do. We can't wait to see what you create!

The Sawgrass Difference

Whether using our groundbreaking VersiFlex decorating system or our industry-trusted sublimation system, you're always covered by the Sawgrass promise of quality and support.

1 Industry-Proven Hardware

For decades, Sawgrass has been a trusted leader in desktop printing, pioneering technology that empowers creators and businesses alike. Known for reliability and innovation, our printers are the go-to choice for those who demand quality.

2 Small-batch inks made in the USA

With over 30 years of research & development, Sawgrass inks offer unparalleled vibrancy, reliability & durability that surpass any other inks on the market.

3 Quality & Assurance

Sawgrass offers risk-free solutions that include a 2-year printer warranty, 2-year ink expiration and auto-maintenance cycle to keep your printer in working order.

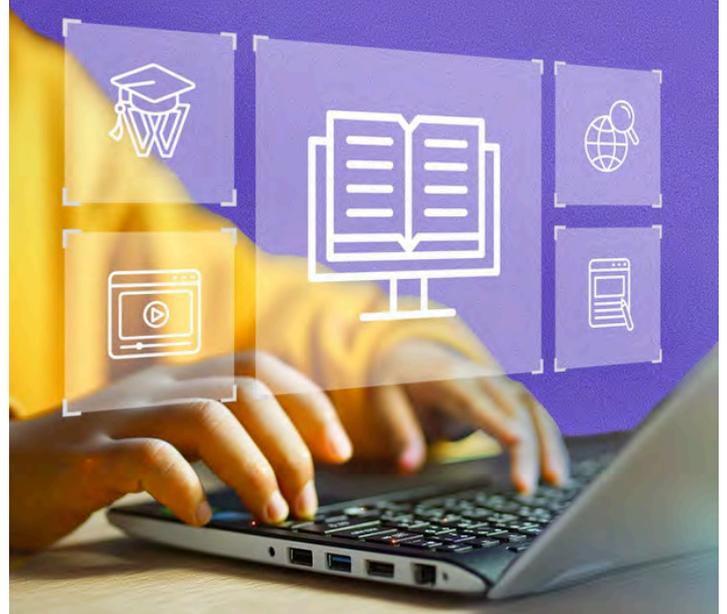

4 Lifetime Education

Fuel your knowledge with our ever-growing library of educational resources, including workshops, educational courses, video tutorials, blog articles & more.

5 Lifetime Support

From complimentary onboarding sessions to lifetime access to customer support, you always have a reliable, long-term partner by your side.

Certifications

Safe To Use

Environmentally
Friendly

We take pride in our commitment to sustainability. Our Sawgrass inks are water based and solvent free, and cartridges and packaging are designed to be recycled. We hold many certifications for our ink quality.

We are Reach Compliant and RoHS Certified.

*WiFi not available on EUX models due to regional regulations, effective August 2025.

Business-Building Savings

Sawgrass empowers businesses and creators with free access to powerful, state-of-the-art software with no extra investment required.
